Forward Planning Group Report for 2nd November 2015

The Community Reference Group (CRG) and the Members Reference Group (MRG) have had the benefit of seeing the outline ideas for the redevelopment of the Town Centre. Unfortunately, we are sworn to silence until they are published. Publication will be after they have received feedback from CRG and MRG as to content and accuracy (but not a feedback on the ideas per se). Hubert and I have submitted our feedback.

I have been promised that we shall be able to see an early copy of the presentations by mid November and therefore we are planning to hold a meeting of the FPG on 19th November and invite other members of the Executive Committee to join us to have initial discussions on these ideas. If the presentation material is not available by that date then we shall reschedule.

As reported to the 5th October meeting, Fran and I attended a walk-about study tour of Walton-on-Thames, Addlestone and Woking and the FPG is planning its own walkabout along the same trail. I hope we can fix a date for this at the 2 November meeting. Again we welcome other members of the Executive Committee to join us.
